Mr. A.L. Manley, Pres.,
Newark Eagles,
101 Montgomery Street,
Newark, N.J.

Dear Mr. Manley:

Replying to your letter of April 9th, nothing whatsoever was mentioned about "an option of 10 percent". Had such been the agreement, I certainly would not have omitted it from the contract. I very plainly stated to Mr. Pompez that our terms would be \$100. and ten percent of the gross receipts.

In order that we might thoroughly understand each other, I will repeat in writing, what I told Mr. Pompez. Our terms for the lease of Bulkeley Stadium on May 26th are \$100. guarantee and ten percent of the gross receipts. We do not care to negotiate on any other proposition.

If you are still interested, I should like to hear from you.

Very truly yours,

Charles Blossfield

Secretary.
